

Privacy Policy

This page is used to inform visitors regarding our policies with the collection, use, and disclosure of personal data if anyone decided to use our Service.

If you choose to use our Service, then you agree to the collection and use of information in relation to this policy. The usage data that we collect is used for providing and improving the Service. We will not use or share your information with anyone except as described in this Privacy Policy.

Information Collection and Use

We don't collect, store or send any personal information like your full name, contacts, precise geolocation information, etc.

For a better experience, while using our Service, we may require you to provide us with certain personally identifiable information, such as: Android advertising ID (to improve both personalization and customer analytics), Android ID (for statistical purposes only).

The app does use third party services that may collect information used to identify you.
